Dr. Nicholas Colatrella, OD, FAAO, Dipl ABO, ABCMO, is a residency trained optometrist, who is the medical director and owner of PineCone Vision Center. Dr. Colatrella is board certified by the American Board of Optometry and the American Board of Certification in Medical Optometry. Dr. Colatrella received his Bachelor of Science degree from Old Dominion

University in Norfolk, VA, and his Doctor of Optometry with honors from the Illinois College of Optometry in Chicago. He completed his residency in ocular disease at the Veterans Administration Medical Center in Cleveland, Ohio and served as the director of operations at Northeast Ohio Eye Surgeons. Dr. Colatrella is a fellow in the American Academy of Optometry, past Chair of its disease section and a founding member and chair of the Anterior Segment Special Interest Group and Section. He is a member of the American Optometric Association, serves as an officer on the Board for the Minnesota Optometric Association and the Illinois College of Optometry Alumni Council. He is an adjunct professor for several Colleges of Optometry and routinely mentors optometry student externs.

Dr. Jeffrey Varanelli graduated from the Illinois College of Optometry in 1998 and has been practicing at Simone Eye Center since 2007. He specializes in comprehensive eye care, with an emphasis on the medical and surgical co-management of eye disease. He has a specialized interest in dry eye and has established a dry eye treatment center within the practice. Dr. Varanelli is a member of many local, state, and national societies, including the American Optometric Association and the Michigan Optometric Association, where he served on the Continuing Education Committee for 9 years. He currently serves on the Bylaws and Resolutions Committee, the Recruitment and Retention Committee, and the Nominating Committee. Dr. Varanelli is a Diplomate in the American Board of Optometry, as

well as the American Board Certification in Medical Optometry. He is a Fellow of the American Academy of Optometry, a founding member and Chair of the Academy's Anterior Segment Section. He served as a Clinical Examiner for the National Board of Examiners in Optometry, is a past president of the Metropolitan Detroit Optometric Society, as well as a Past President of the Illinois College of Optometry Alumni Council.

Dr. James Deom is a partner in a two location 6 doctor practice in northeastern Pennsylvania. Dr. Deom graduated from PCO with highest honors in Optometry as well as being the first student to graduate with a concurrent Master of Public Health in Brain injury and

vision rehabilitation. Since joining Hazleton Eye Specialists Dr. Deom founded The Scleral Lens Institute which is a subclinic focused on fitting scleral lenses. Dr. Deom was AOSA national president and has continued his service to the profession in practice and now serves as his local society president, state legislative affairs committee member, chair of the key persons committee, and on the national level as a member of the board of trustees for Optometry Cares - AOA's charitable foundation. Dr Deom lectures extensively on scleral lenses, dry eye, practice management, and brain injury with respect to vision rehabilitation.
